## What's happening in LV

On March 7, our dedicated first responders were on the scene of a house fire, ensuring everyone's safety. Thanks to their swift action and incredible teamwork, the fire was handled efficiently, and no injuries were reported. We are grateful for our outstanding firefighters and the entire department —truly the best!

Laguna Vista Public Works did an amazing job on the parking area for the Walking Trail.

Welcome to new Laguna Vista Police Officer Jesse Landin. Stop by and say hello.

Our New City Manager will be in the office beginning March 24th.
